LOGOS

**The size guide depends on the factory selected. Please contact us to receive the correct size guide before ordering. Returns will not be accepted.**

Please provide your Pantone colour references before production begins. If you do not have specific colour codes, we will base the colours on those in your file. Please note that we cannot guarantee an exact reproduction of a Pantone colour due to various factors, but we will do our best to achieve the most accurate result possible. A print test can be requested. Once this test is approved, no further changes will be possible.
